

Free and Open to the Public

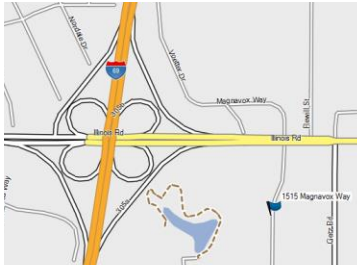

This workshop is part of our public education program.

Model Railroading Spring Training Workshop

Saturday, March 24, 2018 9:00 AM to 3:00 PM

at

The River Christian Church,
(South entrance)
1515 Magnavox Way,
Fort Wayne, Indiana
Interstate-69 Exit 305

Local, experienced model railroaders will be on hand to discuss your questions and to offer “Do-It-Yourself” clinics.

Activities being considered: *(Discussions will be guided by your questions.)*

Learn the basics of model railroading. Enjoy the operating layouts. Learn about the local model railroading community and layouts. Run a locomotive to solve a switching puzzle. Attend group discussions on hobby topics. *Bring your questions.*

Practice your skills on the build-it-yourself projects *(exact projects yet to be decided)*:
maybe Paper buildings, Trees, Scenery. Have an interest or an idea? Let us know.

Receive advice / ideas on maintenance or repair of your equipment. (We will not perform the work.)

Lunch items will be available.

Workshop presented by 3 Rivers Division, North Central Region (NCR), National Model Railroad Association (NMRA). Visit our local website: div3.ncr-nmra.org Our Library page contains education and modeling material for beginners and experienced modelers alike. We welcome you to share our interests.
